RED FISH RETREAT

HOW TO USE YOUR YALE SMART LOCK

Easy. Secure. Keyless.

1 WHAT YOU NEED TO KNOW

- Our doors have Yale Smart Locks.
- Your access code is the **LAST 4 DIGITS** of the phone number you used to book.

2 CHECK THE LOCK

Touch the screen with the palm of your hand to wake up the keypad.

You'll see the numbers light up.

3 ENTER YOUR CODE

Enter the **LAST 4 DIGITS** of your phone number.

Example:
(843) 555-1234

Your code is: **1 2 3 4**

Press the ✓ check mark to unlock.

4 UNLOCK & OPEN

You'll hear a beep and see the green light.

Turn the thumbturn to unlock the door and open.

5 TO LOCK THE DOOR

FROM THE INSIDE:

Turn the thumbturn to the locked position.

You'll see the red light and hear a beep.

FROM THE OUTSIDE:

CLOSE the door and **PULL** the door **TOWARD YOU** to lock it.

You'll hear a beep and see the red light.

IMPORTANT: Pull the door toward you to lock ONLY from the outside. When locking from the inside, just turn the thumbturn.

6 NEED TO CHECK THE DOOR?

Touch the screen.

If you see a green check mark, the door is locked.

If you see a red lock, the door is unlocked.

Green = Locked
Red = Unlocked
