

ROKU TV GUEST MODE

Your stay. Your streaming. Your sign-out.

Guest Mode keeps your accounts private and automatically signs you out when you check out.

Relax, stream happy!

1 TURN ON THE TV

Press the POWER button on the remote.

The Roku home screen will appear.

2 GO TO SETTINGS

Use the arrow buttons on your remote to scroll down and select Settings.

Press OK.

Don't worry, we'll walk you through it.

3 SELECT GUEST MODE

Scroll down and select Guest Mode.

Press OK.

This is the magic button!

4 START GUEST MODE

Select OK, let's get started to begin.

Roku will explain what Guest Mode does.

Press OK to continue.

5 CHOOSE HOW LONG YOU'LL STAY

Select how long you'll be staying so Roku knows when to sign you out.

- 1 day
- 3 days
- 7 days
- Custom date

Press OK.

6 ACCEPT & START

Review the info and select Agree.

Next, select Start Guest Mode.

You're all set!

7 SIGN IN TO YOUR APPS

Open any channel and sign in with your own accounts.

Enjoy your shows!

It's your Roku while you're here.

8 WHEN YOU CHECK OUT...

Roku will automatically sign you out of all apps on the date you set.

No need to do a thing!

Easy peasy.

9 WANT TO SIGN OUT EARLY?

No problem! You can end Guest Mode before you leave.

1. Go to Settings
2. Select Guest Mode
3. Select End Guest Mode
4. Confirm

All accounts will be signed out.

A FEW FRIENDLY REMINDERS

Guest Mode protects your privacy. Your accounts are never saved.

Roku will sign you out automatically when Guest Mode ends.

Treat the TV like your own and enjoy your stay!

Red Fish Retreat Tip:
Stream now. Beach forever.
